MEMORANDUM

TO: FIU Faculty and Staff

FROM: Douglas Wartzok, Interim Provost and Executive Vice President

DATE: February 1, 2010

RE: Global Learning for Global Citizenship

As you are aware, FIU is going through the process of reaffirming its accreditation with the Southern Association of Colleges and Schools. The centerpiece of our reaccreditation is the Global Learning for Global Citizenship Quality Enhancement Plan (QEP). Communication of the QEP to students, faculty and staff is integral to a successful site visit by SACS accreditors March 8-12.

This week, Global Learning for Global Citizenship posters, banners and other materials will be posted throughout the campus. I request your accommodation of these items being placed in your spaces. Staff will remove them at the end of the semester. Until then, it is extremely important that these communication materials remain in high-traffic areas of campus in order to spread the Global Learning for Global Citizenship message throughout the FIU community.

Questions about the QEP? Go to: http://goglobal.fiu.edu/about_us.php
