Re: Call for Nomination of Outstanding Students for Commencement

Commencement is an opportunity for us to recognize and tell the stories of two or three students per ceremony. Nominees must have excelled academically and/or experienced remarkable personal success stories while at FIU. Selected profiles help tell our students' stories and demonstrate the potential to compete at top levels.

Faculty members being closest to students are in the best position to nominate commendable individuals. I hope you will consider submitting a nomination via the online nomination form no later than Friday, November 4.

Fall 2011 Commencement ceremonies will take place on December 12-13 (the schedule is posted here) in the U.S. Century Bank Arena.

Thank you.
